EXPERIENCE

Practice Work - *Projects*

July 2023

Color flipper - 1.*Projects.*

<https://github.com/uzairahmed2126/Build-JavaScript-Projects/tree/master/1.Color%20flipper>

Counter - 2.*Projects.*

<https://github.com/uzairahmed2126/Build-JavaScript-Projects/tree/master/2.counter>

Reviews - 3*Projects.*

<https://github.com/uzairahmed2126/Build-JavaScript-Projects/tree/master/3.reviews>

Hover Effect - 4.*Projects*

July 2023

<https://github.com/uzairahmed2126/MyPorject--hoverEffect>

- I made this project because I noticed one thing when I hover on the tab. Then it shows a popup like i hover on the youtube tab then the little popup shows in front of the user so i try to make this type thing.

Digital Clock-5.*Project*

July 2023

<https://github.com/uzairahmed2126/html-css-js-projects/tree/master/project-1%20digital%20clock>

Infinite Multiplication Quiz -5.Project

<https://github.com/uzairahmed2126/html-css-js-projects/tree/master/project-2%20multiplication>

- In this Project I count the score when the user writes the right answer then score is Increment else decrement also added a refresh button for the change question.

Audio Player Application-6Project

<https://github.com/uzairahmed2126/html-css-js-projects/tree/master/project-11%20audio%20player>.
